**October 19th: Warm-Up Laps**

This is your chance to Get Your Head in the Game™ with our HEAT Warm-Up Laps!

Grab your goggles and get in gear to learn how to race for glory in the vintage F1 racing game:

**HEAT: Pedal to the Metal!**

What is **Warm-Up Laps**? Well, my car-minded comrades, **Warm-Up Laps** is your chance to learn how to play HEAT and get some practice racing in!

We'll teach you the game, share tips and tricks from the experts, and put you in the driver's seat for some actual, practical experience! In addition to all of this, we'll lay out the details for the HEAT League so come with any questions, concerns, or comments that you may have.

Empire's Heat Tournament League officially begins **November 2nd**. The first few weeks of the League follow the Championship mode courses detailed in the rulebook.

League games take place on the **first** and the **third Thursday** of each month:

**November 2nd: Start of Season**  
**November 16th: Week 2 of Season**

EMPIRE begins the Heat Tournament League. Two Thursdays a month racers take to the tracks to compete for points in the Heat Championship mode. Over the course of the season, racers accumulate points for season standings, explore new tracks (some fanmade!), and push their cars to the limits!

More details to come very soon!
